*The only banquet facility specializing in Italian cuisine in Winnipeg!*

*Centro Weddings*

*Your Party, Our Place*

## *Centro Caboto Centre - Historique*

In 1980, the Italian Canadian League of Manitoba Inc. purchased its first home (Casa d'Italia) at 556 Notre Dame Avenue, a modest facility with two offices, a library, one meeting room, a sports bar and a small banquet hall. Over the years, it became evident that the venue was no longer capable of meeting the changing needs and organizational requirements of a vibrant Italian community. A needs assessment survey, conducted in 1992, led to the resolution: **“build a new centre, to provide a strong message of renewal, ongoing development and community-building”**.

Consequently, an ad hoc committee of the League (later known as **Team 13**) was empowered to pursue the construction of a new home for the Italian community. After years of careful planning and relentless dedication, the dream became reality when, on **June 14th, 1998**, the Centro Caboto Centre officially opened its doors to the public.

“The Centre will do more than honour the contribution that members of the Italian community have made to Manitoba and Canada. It will stand as a symbol of our gratitude to this great country”, stated Arthur V. Mauro.

Born of the spirit of adventure that characterized the life and times of the Italian explorer Giovanni Caboto, “the Centre provides people of all ages and cultures with a meeting place and activity centre to celebrate and embrace Italian culture and lifestyle, today and into the future”. This mission is fulfilled through the provision of functional facilities and the delivery of social, cultural, educational and recreational programs and services, including in-house catering to all types of events.

### *Features and Services*
